

APPLICATION FOR MEMBERSHIP IN The Gallup Family Association

I, _____, _____, _____,
First Name Middle Name Last Name

hereby apply for membership in “The Gallup Family Association”.

Please trace your descent starting with yourself, on the first line as son or daughter of the parent through which the Gallup line is traced. Then enter in the next space, the father or mother as the case may be, etc. The Gallup Family Genealogy may provide your complete line, and if so, please place the assigned genealogy number opposite the respective ancestor. Once you have an ancestor with the assigned genealogy number, you need not further record your ancestry for the purpose of this application. If you are unable to trace your line completely, fill in this form as far back as you can and return it to the Association. We will do our best to find your family connection.
